Overlooking one of Port Stephens' safest ocean beaches, The Outlook on the Beach at Boat Harbour makes a perfect port to keep over and rest awhile. Surrounded by national park, white sand beaches and stunning natural attractions, this is a vacationer's dream.

The luxurious three-bedroom apartment is all bright, breezy beach tones and stylishly comfortable furnishings. Three queen bedrooms (one with ensuite) make it ideal for families or couples travelling together. Grab the morning

newspaper and a pot of tea or the coffee plunger before settling down on the balcony to the sound of breaking waves. You can serve up leisurely dinners in the full kitchen or use the balcony barbecue to grill the freshest catch of the day.

Whale watching and dolphin spotting are excellent in season and the gentle beach at Boat Harbour is great for kids. Be sure to pack your snorkel as the rocky coves and pools provide excellent diving opportunities. If you want surf action, One Mile Beach is just next door. And of course the name says it all – Boat Harbour is the place to set sail, drop a line and reel in a nice, long relaxing break.
